## San Diego Danceworks Winter Newsletter

### What's new with San Diego Danceworks?

Happy Holidays! The new year is fast approaching, and we are excited about our classes and introducing new dances and choreography for our recital in July. Now would be a great time to start-up. We also have our ongoing adult classes. No pressure classes designed to give you a work out, while feeling the joy of expressing yourself through movement. Looking forward to seeing you at the performances.
